

Aluno (a): _____

Nº _____

1. Junte as vogais e descubra os encontros vocálicos.

A bear character is shown on the left, blowing bubbles. The bubbles are represented by circles of varying sizes. The main part of the page contains six rows of vowel combinations. Each row consists of a circle with a vowel, a plus sign, another circle with a vowel, an equals sign, and a final empty circle for the answer.

A	+	I	=	○
E	+	U	=	○
U	+	I	=	○
A	+	U	=	○
O	+	I	=	○
E	+	I	=	○
